MIA FARROW

- Woody Allen and Mia Farrow began a 12-year relationship in 1980, during which Farrow starred in 13 of his films. They maintained separate apartments in Manhattan throughout the relationship—Farrow on Central Park West and Allen on 5th Avenue—and did not marry; they had both been married twice before.

DYLAN FARROW

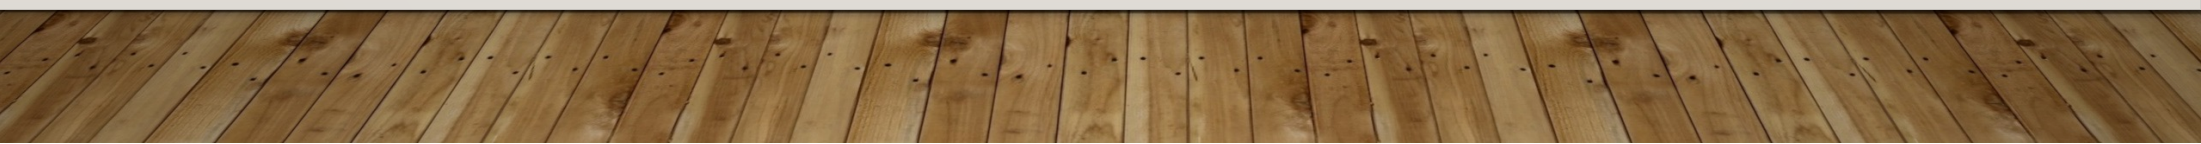

- Dylan Farrow is one of Mia Farrow's 14 children. She was adopted by Mia Farrow in 1985 when she was 2-weeks-old and co-adopted by Woody Allen in 1991. According to a recent profile in Elle, Dylan was an artistic child who loved to read, write, and play make-believe with her younger brother Ronan.

AN OPEN LETTER FROM DYLAN FARROW

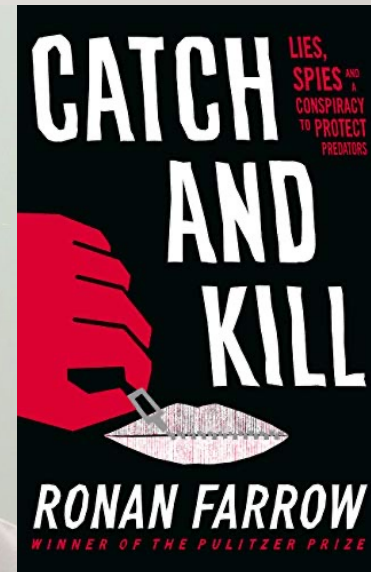

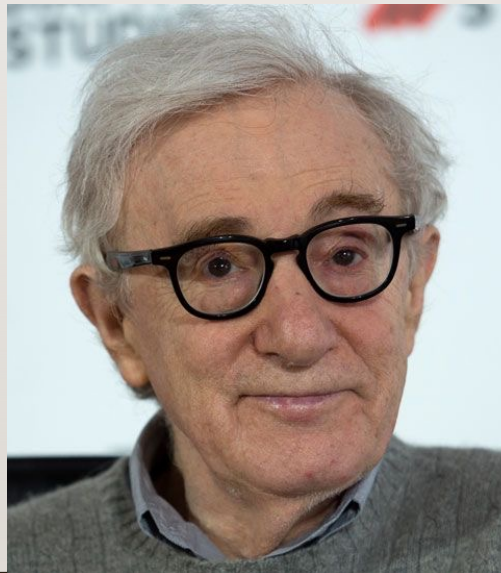

FEBRUARY 1, 2014, NEW YORK TIMES

- “What’s your favorite Woody Allen movie? Before you answer, you should know: when I was seven years old, Woody Allen took me by the hand and led me into a dim, closet-like attic on the second floor of our house. He told me to lay on my stomach and play with my brother’s electric train set. Then he sexually assaulted me. He talked to me while he did it, whispering that I was a good girl, that this was our secret, promising that we’d go to Paris and I’d be a star in his movies. I remember staring at that toy train, focusing on it as it traveled in its circle around the attic. To this day, I find it difficult to look at toy trains ...

SACHEL RONAN O'SULLIVAN FARROW

- Satchel Ronan O'Sullivan Farrow is the son of actress Mia Farrow and filmmaker Woody Allen, known for his investigative reporting of allegations of sexual abuse against film producer Harvey Weinstein, which was published in the magazine The New Yorker. For this work, the magazine won the 2018 Pulitzer Prize for Public Service, sharing the award with The New York Times. Farrow's subsequent investigations exposed other allegations against politician Eric Schneiderman, media executive Les Moonves, and Supreme Court Justice Brett Kavanaugh. He also makes regular appearances on the NBC morning program Today.

SOON-YI

- Soon-Yi Previn is the adopted daughter of actress Mia Farrow and musician André Previn, and the wife of filmmaker Woody Allen. Soon-Yi Previn is notable for her relationship with Allen, who was her adoptive mother's boyfriend for over 10 years. Previn's relationship with Allen became national news in 1992.

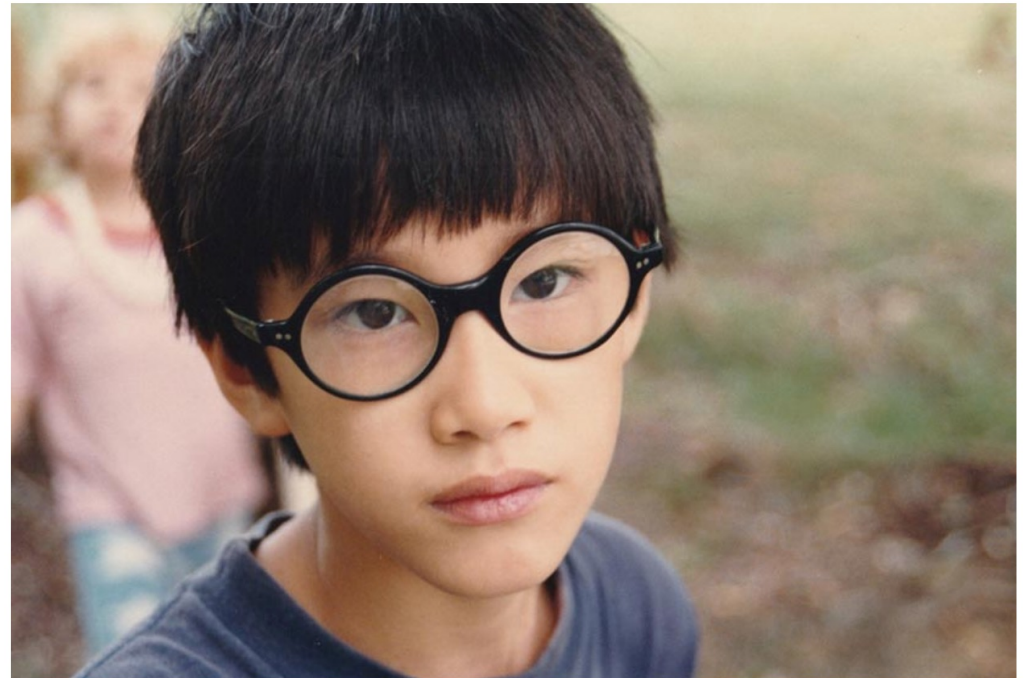

A SON SPEAKS OUT

- By Moses Farrow
- I'm a very private person and not at all interested in public attention. But, given the incredibly inaccurate and misleading attacks on my father, Woody Allen, I feel that I can no longer stay silent as he continues to be condemned for a crime he did not commit.

I was present for everything that transpired in our house before, during, and after the alleged event. Now that the public hysteria of earlier this year has died down a little and I have some hope that the truth can get a fair hearing, I want to share my story.
